there have been many Yaqui laborers, report the same condition of affairs, report the same condition of affairs, They usually travel by night, and nightly small squads are reported passing through the town or along the road nearby, all going in a southerly direction.

Arizone Town In Danger.

Some fears are expressed of a descent apon the town similar to that of August, 1886, when an attacking party took possession of the Mexican customs house in the early hours of the morning and were deledged only after a severe battle, in which they left nine men head on the field and carried away some country. dead on the field and carried away some twenty wounded. In that fight company G of the Arizona milltin participated, and it is from motives of revenge that the Yaquis now on the warpath have killed the Americans whose deaths have been reported. In the former wars they have always respected Americans, never molesting them. The situation is considered so grave that Mayor Overton has communicated to Governor Murphy a request to ask the war department to send a troop of cavalry from Huacha for protection of the town.

STATE OF TERROR PREVAILS. People Fleeing to Larger Settlements

For Protection From Indians. Los Angeles, Cal., Aug. 3.—Marshall P. Wright, son of the late Judge Wright of Kansas City, has arrived in this city from Mexico. Speaking of the Yaquis, Mr. Wright said that there is no doubt ut from 2,000 to 2,000 men are under rms, and engaged in a bloody conflict.

gathering troops near Magdalena, a he will soon reinforce General Torre-AMERICANS DRIVEN OUT.

ing Bands of Indians.

He each day.

Harvel said that the news of the bloody
othersk among the Yaquis in the lower
saley had not reached the major part of
the stream when he left, and that as soon
a such news is received by the scattered bands of Indians in the placer mining region they will massacre every white man along the fiver. He estimates that there are 500 Yaqui braves and that it will take a force of fully \$0.00 Mixis an troops to conquer them if they are simbled to reach their foruger strong-lods in the Salmarias raises of mountains.

Therms the two years the indians have been at peace they have been questly investing their earnings in sums and an munition and they are now better equipped than over for a long and bloody campaign.

BEAT SOLDIERS TO DEATH.

Indians Throw Rocks Down Upon Them In Mountains.

Spaniards Killed All Natives.

Philadelphia, Aug. 2.—The captain of the British meamer Glooscap, which arrived tolday from Hollo with a cargo of sugar, reports that on April 2, when passing Cape Melville, Balladae Island, one of the Philippines, he found the lighthouse Recept without provisions the hold no oil. The Glooscap furnished supplies and reported the fact to the British consul at Batavia. The natives of the Bandou, the captain says, had all been killed by Spaniards.

the Soldiers' Home

HAVE BEEN NO NEW CASES OR MANY PROMINENT GENERALS DEATHS SINCE WEDNESDAY.

Officials Have Succeeded In Tracing the Man Who Is Supposed to Have Introduced the Disease Into the Home-Soldiers to Be Taken to Long Island.

Washington, Aug. 3.—The yellow fever situation at Hampton continues fa vorable and encouraging, in the opinion

prophecy regarding the outbreak.

The murine hospital officials at Humpton have succeeded in tracing and locating the former immate of the Soldiers' home who is believed to have brought yellow fever to that place. His name is William Thomas. He arrived at the home on a transport from Santiago, where he mad been visiting from July 2 to 5 last. He was admitted to the home as a veteran and soon after developed chills and fever in the light of subsequent events the experts believe there is little doubt experts believe there is little doubt that he was affected with a mild case of yellow fever, although it was not diagnosed as such at the time.

s high attitude, as it greatly lessens any danger of infection.

Change In Movements of Troops. Change In Movements of Troops.

Another change was made today in the destination of the troops at Fort Monroe. General Merritt telegraphed the war department that in deference to the earnest recommendation of Surgeon General Wyman, he would direct that the troops he sent to Plum island in Long Island sound. The quartermaster's department is experiencing considerable difficulty in making arrangements for the transportation of the Fort Monroe garrison.

Regarding the probable duration of the present epidemic, Dr. Wyman said today;

It is too early yet to make predic-"It is too early yet to make predictions as to the suppression of the outbreak, only four days having elapsed since the discovery of the fever. The fact that Thomas, the original suspect, has gone north, takes considerable weight off our minds, as he is now in a latitude where there is no chance of yellow (ever doing great damage. Our past experience, though, has shown, however, that yellow fever can be suppressed and confined to the original focus of infection when the precautions are taken early enough in the outbreak, are taken early enough in the outbreak, This was shown at Brunswick, Ga., in

Other Outbreaks Cited.

It was also true in the outbreaks at Henry, Miss., and Franklin, La. In pidemics there were in Mississippi and through the official lines, it has been due to lardy information of the outbreaks. This shows the necessity of prompt reports in all suspicious cases. It was finally decided this afternoon that the garrison at Fort Monroe should be taken away on the government transport McCletlan, which will leave New York tonight and arrive at the fort tomorrow.

COMPLAINTS MADE AGAINST GRAND CHIEF ARTHUR. Santa Domingo.

HE RAN FROM THE ENEMY INDIANS ARE GATHERING MEETING WITH SUCCESS GROWING IN STRENGTH

Movement In Favor of Jiminez, Who Would Succeed the Late President Heureaux—Assassination Was Not a Part of the Programme of the Rebels.

JOIN THE INSURGENTS.

Cape Haytien, Hayti, Aug. 3,-It has run Cape Haytlen, Haytl, Aug. 3.—It has just become known that an armed insurrection has broken out at Tavoga, a town seventy—eight miles northwest of Santo Domingo, in favor of Jiminez, who aspires to the presidency in succession to the late President Heurbaux. Later advices from the Dominican republic indicate that the revolution is growing in strength. At Santiago de la Craz, 500 well-armed men have risen under the command of General Ramon Pracheco, and General Preyes, who is very influential in these districts, has Joined the insurgents with several and the report of the May ou suppose I am going to walk three miles down town when the cars pass my dotter generals, each commanding fairly important forces.

WAS NOT ON PROGRAMME.

Revolutionists Did Not Contemplate Killing of Heureaux.

Kingston, Jamaica, Aug. 3.—Owing to the efforts of the government of Santo Domingo to suppress news and information of the purpose of bringing them under the purpose of bringing them under the provent. just become known that an armed in-surrection has broken out at Tavoga,

the efforts of the government of Santo homes to ascertain where they live Domingo to suppress news and inforbringing them under the boycott. mation about the recent assassination of President Heureaux and the reportof President Heurcaux and the report-ed revolution in Santo Domingo, the facts in the case are difficult to ob-tain. But a dispatch received by a messenger who had passed through Hayti, indicates that the assassination Hayt, indicates that the assassination of President Heureaux was not on the programme, the purpose of the revolutionists being to capture Moca with the president, thus decapitating the Dominican government at the first blow, the insurgents not possessing the means of prosecuting a protracted conflict.

The premature departure of President Heureaux threatened to frustrate this scheme, whereupon an enthusiast who was watching the president's movements committed the act. A subsequent attack on Moca being repulsed,

vention in Samo today says it anticipates the moon an excuse "to tie the string of Antii an excuse "to tie the string of Antii an excuse "to the house of Antii A Amer gems on the new colonial diadem," and invokes the powers to "curb American

WILL BE SURRENDERED.

Fugitive Who Sought Protection of United States Consul at Hayti.

Washington, Aug. 3.-Acting Secre tary of State Adee has received a cable-gram from Minister Powell at Port au Prince, Hayti, confirming the news-paper reports of the violation of his legation by police officers who were making an arrest. The minister added that the person who was arrested (Du-vivier) is a citizen of Hayti and he seeks to know what disposition shall be made of him upon his return to the legation.

The department is now giving the query consideration and it will prob-ably direct the minister to surrender the man to the authorities if it shall appear list the proceedings are regular

BROADSIDE FROM GEER.

cisco Labor Leader. Salem, Ore., Aur. 2.—Governor Geer to-iny received a circular letter from Ed-

Salem, Orce, Aug., Societary, of the San ward Roseberg, secretary of the San Francisco Labor Council, in the form of an appeal to him to protest to the war department against the "criminal policy" of mustering out any more returning volunteers in San Francisco. The circular states that the labor market is being thooked, and that the volunteers will be forced to re-culist in order to secure a living. The governor, in his answer to Mr. Rosenberg, sales:

"I have been a working man all my life and white all my sympathy is with that class of fellow circless, at all times and overywhere, your appeal in their interest is illogical, ill-tempered, uncased for antennastical in the extremity in the working by a donler, the struggle of the working that the food the labor market and thus done to flood the labor market and the food the inbor market and the government desires to compel volunteers, driven by want or destitution, to re-enlist.

"Such demangogical utternness as these,"

driven by want or destitution, to re-enlist.

"Such demagogical ultrarmoes as these,
which are not only not lassed on facts,
but has unmistakable evidence of studied
perversion in them, do the real inhoring
man of the United States grave injustice
and, in the end, infinite harm.

"To geize such an occasion as the one
above noted to make inflammatory and almost naturrectionary appeals to our working jeeopic indicates want of good taste
and good judgment and recklessness of
statement that does no credit to the orgrainization ergaged in its promulgation.
The people of Uregon do not share the
sentiment of the circular, for they are
the sincere friend of the real workingmen, of whom there is not one now out
of employment in the state who desires
it." GOLD DISCOVERIES IN IDAHO.

Much Interest Manifested In Recent Finds Made.

Finds Made.

Boise, Ida., Aug. 2.—There is increasing interest here in the gold discoveries made in the Boise river, in the vicinity of Badger creek. A large number of Boise people are on the scene. These include several expert mining men. reports from whom are eagerly awaited. The fact that none of them have returned is taken as an indication that they find the country good. good.

Gave to the United States Twentyeight Square Miles of Territory. New York, Aug. 3.-A special to

Herald from Ottawa, Ont., says: It has developed in connection with the Alas-kan boundary matter that Canada not long ago made a territorial concession of some importance to the United

taken it was discovered that the 141st meridian struck the coast over the western shoulder of Mount St. Elias. The United States authorities suggested that it would be more convenient to take the apex of Mount St. Elias as the starling point of the boundary line, thus moving it 24 statute miles further east. It was agreed that the new boundary line thus run should meet the true meridian 231-3 statute miles north from Mount St. Elias.

The United States by this arrange ment secured twanty-eight miles of territory. Canada readily consented to make this gift as the United States desired to share equally with Canada in Anwing the highest mountain of North America within her territory.

This fact is recalled as proof that Canada does not always adhere to the Weber county committee, we'll hold," even in diplomatic dealings with the United States.

BLEW OFF HIS HEAD,

BLEW OFF HIS HEAD.

Wisconsin Farmer Uses Dynamite to Commit Suicide,

Cumberland, Wis., Aug. 2,—Chris Wold, a farmer near Peskin lake, this county, committed suicide today by de-liberately blowing off his head with dynamite. He placed a quantity of dynamite in a hole in the ground, laid his head over it and touched it off, ex-

claiming:
"Here I go and the Lord go with
me." His head and an arm were completely torn away. Was Mysteriously Murdered.

Chicago, Aug. 3.—George C. Galla-gher, a young plumber, was mysteri-ously murdered at his home last night while his mother and cousin were asleep in the adjoining room. The only clew to the murder is a torn window netting in Gallagner's room and a re-volver found in the rear of the house.

Killed For His Money. Killed For His Money.

Meadville, Pa., Aug. 2.—Emile Jeanney, aged 25 years, of Frenchtown, was
murdered last night between this city
and Conneaught lake. His horse and
buggy arrived at Conneaught lake today, containing the corpse of Mr. Jeanney with a bullet hole in his back. The
supposition is that the murderer intended robbing his victim, but that the
horse ran away. The dead man's pockets, contained \$55, his watch and other
personal property.

ersonal property.
